BEAUTY HEROES

Each week, experts share their insider knowledge.

Bollywood make-up and body artist

Ash Kumar has worked his magic on Cameron Diaz, Julia Roberts and Madonna.

Whose look do you love?
 Lady Gaga's bright fuchsia lips - and they're really catching on. She owns her look, and I love that.

Which beauty looks do you dislike this season?

I hate anything colourless, like nude make-up. Brighter, more vibrant colours that are at the heart of Bollywood glamour are more me - and they're so now!

What's your biggest no-no?
 Applying liquid foundation with a sponge. Half is absorbed into the sponge, which means lots of waste and an uneven finish.

What's your bargain buy?
 L'Oréal Paris Contour Resist Eyeliner (£4.49), because it's the darkest possible black, totally smudge-proof and easy to apply.

“L'Oréal's volume-boosting mascara instantly makes me look presentable.”
